Dear Sir:

In addition to the Response submitted on December 9, 2003 for paper No. 2, please also consider the following remarks.

The Office Action (paper no. 2) objected to the specification because the spacing of the lines of the specification is such as to make reading and entry of amendments difficult. The

Office further requires new application papers with lines double spaced on good quality paper are required.

Applicants respectfully submit to the Office that the instant application is electronically filed, in which the format of the application, including the line spacing, is fixed by the electronic filing system. However, per the Office's request, a word file of the specification is enclosed. Please note that the paragraph numbers of the word file of the specification may not correspond to the paragraph numbers of the electronic filed version.

If the Examiner has any inquiry regarding the above-identified patent application, the Examiner is invited to call the undersigned.

Respectfully submitted,
